

Ancient Greece, States of Matter, All Around the World

Solids, liquids and gases

Investigate different states of matter. Look around your house and make a list of different solids, liquids and gases that you can find.

Describe materials that are solids and liquids. What do they feel like?

States of matter

Greece

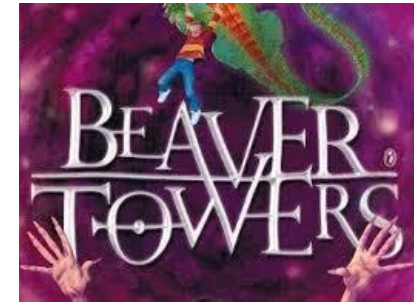

Make a collage using pictures from holiday brochures or the internet showing ancient buildings and interesting place to visit in Greece.

Recommended Reading

We are reading the final book in the Beaver Towers series.

It might be good to read the other ones too!

Greek Alphabet

Find out about the Greek alphabet and present your findings in an exciting way.

Time Zones

Locate the 7 continents of the world and find out what time it is there. How far ahead or behind are they to the UK?

Cooking

Cook some Greek food or a meal. Write up the recipes. Can you include a photo of your creation too? This might link to the science too!!

Vocabulary – Solids, liquids, evaporation, condensation, particles, matter, fair test, thermometer
