

# Hartshorne C of E Primary School

## Literacy

### Non-fiction

We will be writing recounts linked to science and a non-chronological report

### Fiction

We are going to write an adventure story and a story with a familiar setting

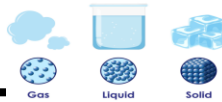

### Poetry

We are going to read some shape poetry and perform some poetry.

## Science materials and their properties

We will start by looking at different materials and discover if they are bendy, hard, transparent and we will see if we can change them by pushing, rolling and squeezing. Then we will begin to look at solids, liquids and gases and how heating and cooling materials can change them.

## Mathematics

This term there will be a focus on place value, addition and subtraction and multiplication and division.

We will solve problems and use lots of mathematical language.

## Oak

Autumn 1 & 2 2023

### Values

Friendship

Compassion

Main Themes:

Science / History / Geography

*Materials*

*Ancient Greece*

*All around the World*

## Safeguarding

World Kindness Day 13<sup>th</sup> Nov

Anti-Bullying week 13 - 17 Nov

## Computing

Creating media – we will become familiar with the terms 'text' and 'images' and understand that they can be used to communicate messages.

Computer systems – we will explore how a network can share messages with another network to form the internet.

## Design Technology / Art

Art - Storytelling through drawing and sequence drawings to tell stories

DT – we will be making structures by folding and gluing nets accurately.

## Geography / History

We will know about how the Ancient Greeks influenced our society today and about Alexander the Great.

We will travel the world and learn about the lines of longitude and latitude.

## PE

Our PE sessions will be Thursdays; children must wear suitable, warm clothing in school colours with no logos please. Remember every other Friday we have basketball.

## PSHE

### What strengths, skills and interests do we have?

Self-esteem: self-worth; personal qualities; goal setting; managing setbacks.

### What keeps is safe?

Keeping safe; at home and school; our bodies; medicines and household products.

## RE

### Kingdom of God

When Jesus left, what was the impact? Making links between Jesus and Pentecost.

### Why are festivals important to religious communities?

We are going to learn about different religious festivals and spiritual ways of life as shown through festivals and celebrations.
