

# Hartshorne C of E Primary School

## Literacy

### Non-fiction

We will be reading and writing texts that will support our Science topics including explanations, instructions and letters.

### Fiction

We will use amazing vocabulary to write adventure stories and descriptions.

## Science animals including humans

We will start with looking at plants, what they need to grow, where they get their food from and how they move the water they need.

We will also look at animals and their habitats in and around the local environment. We will look carefully at environmental issues.

## Mathematics

This term there will be a focus on fraction, decimal, percentages and measures.

Y4 need to focus on their times tables ready for the check in June.

## Computing

We are going to complete animations on the I pads.

We are going to look at databases and begin to construct simple ones ourselves.

## Design Technology / Art

We will be using a range of skills to create work like Georgia O'keefe. We will also be building our own bug hotels.

## Geography

We will be looking at the UK, the counties, rivers and other geographical features.

## PE

Our PE sessions will be Thursdays; children must wear suitable, warm clothing in school colours with no logos please. Remember every other Friday we have basketball.

## PSHE

What should we eat to look after our teeth?

How can we manage risk in different places? We need to know how we can keep ourselves safe especially as our summer holidays are getting closer.

## RE

What can we learn from religions about what is right and wrong?

Discuss their own and others' ideas about how people decide right and wrong.

### Gospel

Make simple links between Bible texts and the concept of 'Gospel' (good news).
