

## MFL

### **Intent –**

It is our intention to ensure that by the end of our children's primary education, they have acquired an understanding of both spoken and written Spanish, confidence to speak in Spanish with others and know how important other languages and cultures can be in their future.

### **Implementation –**

- All children in KS2 will have regular language lessons with their class teacher and we follow Language Angels scheme of work for mixed age classes.
- Our MFL curriculum is designed to develop not only our children's language skills, but also their love of learning a language.
- It progressively develops language skills, through regularly taught lessons. This allows the children to acquire new language then use and apply it in a range of different scenarios and topics.
- Children are encouraged and supported to develop their speaking and listening skills through conversational work, singing activities and games.
- As their confidence and skill grows, children record their work through pictures, captions and sentences.

### **Impact -**

- Our MFL curriculum will ensure all pupils develop key language learning skills.
- Children will understand and respond to spoken and written language from a variety of authentic sources;
  - Children will speak with increasing confidence, fluency and spontaneity, finding ways of communicating what they want to say, including through discussion and asking questions, and continually improving the accuracy of their pronunciation and intonation;
  - Children can write at varying length, for different purposes and audiences, using the variety of grammatical structures that they have learnt.
