

Summer EYFS home learning

Ball Skills

Throw, Catch, Bounce, Catch

Throw a ball in the air and catch it, then bounce it on the floor and catch it again. How many times can you do this before losing control?

Under or Over

Create a bridge which you can roll a ball under and throw a ball over - you could use a small table, a chair or some old boxes. Find a friend to play with you. Each stand either side of the bridge and shout 'Over' or 'Under'. If you shout 'Over' you should throw the ball over the bridge and your friend should try to catch it. If you shout 'Under' you should roll it under the bridge. Can you catch your friend out?

Look at some maps of places around the world. Can you find where you live? Can you find a place that is usually hot and sunny? Can you find a place that is often cold and snowy?

Making Ten

Use 2 plates and ten small objects e.g. buttons. Take it in turns to pick up a handful of the objects and place them on to one of the plates. The other player then places the rest of them on to the other plate. With your child, count each set of objects. Then, count the total. Talk about the number bond. For example, 'There are seven on this plate and three on this plate. Seven and three make ten.' Take the objects off the plates and repeat the activity. Try taking different numbers of objects and talk about the different ways you find of making ten. How many ways can you find?

Memory Game

Collect approximately 6 interesting items from the woodland/garden area. Place all of the items that they have collected onto a white sheet. Explain that they need to try to memorise all of the items on the paper.

Children turn away as an item is removed from the middle. Take turns to guess which item has been removed.

Make a fossil dinosaur

You will need:

175g plain flour	20g coffee granules	60g salt
125ml water	Small plastic toys	Baking tray
Grease proof paper		Oven set to 120°C

1. Mix the flour, coffee, salt and water together.
2. Form the mixture into round, flat balls.
3. Press a small toy firmly into each ball and carefully remove to reveal impression.
4. Place onto a lined baking tray and bake for 20 minutes - leave to cool and harden overnight.
5. Can children match the fossil to the toy it was made with?

Have you visited Derbyshire's virtual library?
Visit <https://www.derbyshire.gov.uk/leisure/libraries/using-your-library/join-and-use-your-library.aspx> to join for free and download a story to share. Let us know which is your favourite book you have borrowed.

Developing Life Skills Activity

Plan a meal with an adult. You could write the menu or draw a picture.
Help your grown up prepare the food by washing vegetables or fruit/chopping/mashing/mixing/ whisking/kneading/stirring.
Help to set the table – Think about the cutlery you will need.
We would love to see photographs!

Cosmic Kids Yoga -

Dinosaur Yoga for Kids! Dinosaur Park | A Cosmic Kids Yoga Adventure

<https://www.youtube.com/user/CosmicKidsYoga/videos>
Take 15 minutes to share some mindfulness time with your child.
We would love to see some pictures of their yoga poses!

My Favourite Toy

Can you draw a picture of your favourite toy?
You could label your picture and write a sentence to describe it and say why it is special.

We will also be discovering VIP vocabulary too using words including:
Pre- historic carnivore herbivore fossil extinct
