

## National Smile Month 13<sup>th</sup> May – 13<sup>th</sup> June

To celebrate National Smile Month the Derbyshire Oral Health Promotion Team are launching a competition.

### ‘Pick a Space in Your Place’

Help to create an amazing, attention-grabbing oral health themed display to grab attention to help us win a **hamper full of Oral Health goodies** for our school.

Displays are a fantastic way for people to learn more about their oral health! As they can positively impact motivation and have a direct effect on learning.

We would like you to design a poster for our display to help celebrate oral health and the importance of a beautiful smile.

Please put your amazing, colourful designs onto A4 paper with your name and class and return to school before 3<sup>rd</sup> May so we can create an eye-catching display.
